Standalone Notes: 1. The audited standalone financial results which are published in accordance with Regulation 33 and 52 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on June 29, 2020. The above results have been audited by the statutory auditors of the Company.

2. The audited standalone financial results are prepared in accordance with the Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013.

3. A major fire broke at the Registered Office premises of the Company located at 2nd Floor, Gulmohar Status, Above Business Bank, Samarth Nagar, Nashik - 422005, on 7th September 2019, gutting the entire floor of the office. The said premises held certain office equipments, furniture & fixtures as well as the books of accounts, computers and servers holding financial and accounting data, financial records, and related supporting documents. The loss by fire shown as exceptional items in the financial results is INR 93.13 lakhs against the closing written down value (WDV) of Property, Plant & Equipments as on date of fire. The backup of data and records, were kept at an offsite location of our corporate office. Accordingly, the accounting records have been prepared based on back-up restored by the company and secondary sources.

4. The company has opted for the new real estate composition scheme under GST in respect of some of its on-going real estate projects as on 31-03-2019 and new projects commenced after 01-04-2019 for payment of tax without credit of input tax charged on goods and services as per the Notification No. 03/2019-Central Tax (Rate) dt. 29/03/2019. Accordingly, the company has reversed the input tax credit amounting to INR 578.87 lakhs on the goods and services procured during the reporting period.

5. The Company is actively monitoring the impact of the global health pandemic on its financial condition, liquidity, operations, suppliers, industry, and workforce. The company has used the principles of prudence in applying judgments, estimates and assumptions based on the current estimates. In assessing the recoverability of assets such as goodwill, inventories, financial assets and other assets, based on current indicators of future economic conditions, the company expects to recover the carrying amounts of its assets. The extent to which COVID-19 impacts the operations will depend on future developments which remain uncertain.

6. A new Section 115BAA was inserted in the Income Tax Act, 1961, by the Government of India on September 20, 2019 vide the Taxation Laws (Amendment) Ordinance 2019 which provides an option to companies for paying income tax at reduced rates in accordance with the provisions / conditions defined in the said section. The company has decided to continue with the existing tax structure for the year ended March 31, 2020.

7. The figures of the last quarter are the balancing figures between audited figures in respect of full financial year and the unaudited published year to date figures upto the third quarter of the respective financial years

8. Since the nature of activities carried out by the Company is such that profits / losses from certain transactions do not necessarily accrue evenly over the year, results of a quarter may not be representative of the profit / losses for the year.

9. The Company's business activity falls within a two business segment viz. 'Development of Real Estate Property' & 'Civil Contracting Business', the financial statements are reflective of the information required by Ind AS 108 "Operating Segments". 10. Previous period figures have been regrouped, re-arranged and re-classified wherever necessary to conform to current period's classification.
