T = Date of application based on cut-off time and payment credit to Mutual fund account

* While these 8 banks are technically enabled to provide real time credit, not all PA/AMC may be integrated with all the banks in which case the date of credit to MF account / unit allotment will happen on T + 1

^ Transfer cheques received before 12 noon will be deposited on the same day and the rest will be deposited on the next day

~ Clearing cheques - T is the date of deposit ie., cheques collected upto 3 pm on a day will be deposited on the next working day.

MF / NPCI will endeavour to ensure credit is posted to MF account on the same day of debit to investor's account. In certain circumstances, due to delay at Bank's / Payment Aggregator's end, the credit to MF account may happen and the allotment could get delayed to T+1 or T+2 or as and when the credit is received in the mutual fund account.

Important Note: Unit allotment will be subject to receipt of funds in the mutual fund account before the applicable cut-off time (Currently, 1:30 PM for Liquid schemes)
